

Advanced Grammar In Use Second

We use the third conditional to say what would have happened in the past. We have seen how the zero conditional, the first conditional and the second conditional are all used to talk about possibility and result in the present and future. The third conditional is what we use to talk about the past.

Advanced English - English for Students

In linguistics, grammar (from Ancient Greek γραμματική) is the set of structural rules governing the composition of clauses, phrases, and words in any given natural language. The term refers also to the study of such rules, and this field includes phonology, morphology, and syntax, often complemented by phonetics, semantics, and pragmatics. ...
