Key Shifts in English Language Arts Introduction. The Common Core State Standards for English Language Arts and Literacy build on the best of existing standards and reflect the skills and knowledge students will need to succeed in college, career, and life.

Key Shifts in English Language Arts | Common Core State ...

The English language was first introduced to the Americas by British colonization, beginning in the late 16th and early 17th centuries. The language also spread to numerous other parts of the world as a result of British trade and colonisation and the spread of the former British Empire, which, by 1921, included about 470–570 million people, about a quarter of the world's population.
