

Culinary Essentials Teacher Edition

Culinary Essentials teaches students the essential knowledge and skills needed to become culinary professionals and work in a professional food service environment. Culinary Essentials exposes students to real-world culinary careers and the practical business aspects of working in a food service setting.

I picked up this book to learn more about the culinary arts and basics of cooking, both at home and in a professional culinary setting. Culinary Essentials, which some may view as a dense student textbook, actually contains everything you need to know on a basic level about how to operate in a professional culinary environment, such as a restaurant or cafeteria.
