I am very tired right now. My front load washer is not working — less than 1 year old—. This time the problem is no water will go through the “hi tech” hoses after our main water was shut off for awhile.

I hate my front-loading washer. Here's how ... - Jill Cataldo

Front load washing machines are becoming increasingly popular due largely to their high performance & value. Front load washers save both water and electricity while reducing the wear your clothing endures in traditional washing machines. Front loading washers & dryers may also offer more aesthetic value for your laundry area as they are available in a variety of color options, including Red ...
