

Jiji Games For Kids

Games that help teach math concepts without language, numbers, or symbols.

ST Math

This app allows schools to access their ST Math student accounts using Android tablets. An activation code is required. ST Math is a visual instructional program that builds a deep conceptual understanding of math through rigorous learning and creative problem solving to deeply engage, motivate, and challenge Pre-K-8 students toward higher achievement.

ST (Jiji) Math: School Version - Apps on Google Play

ST Math is a standards-aligned program that creates opportunities to move away from mere digitized math drills and puts them in the mindset to think creatively. Challenging games help kids explore non-routine problems and build number sense instead of memorizing disconnected facts.
