In the past few years, air fryers started popping up on store shelves and while it could easily be seen as a fad, their popularity as a deep-fry alternative is not letting up—even though they're not actually fryers. With their promise to cook up crispy yet juicy foods without all that unhealthy ...

Actually, it seems like most people who write up these "thermometer comparisons" stack the deck in favor of the ThermoPen. While there is no doubt that it is a great thermometer when speed is the primary consideration comparing it to continuous-read thermometers (all three non-ThermoWorks models in this test) is not particularly useful. For example, I would never use it for a roast because it

We spent weeks researching and working with coffee expert and Coffee Cycle Coffee proprietor, Chris O'Brien. Then we brought in a hydrodynamicist and used a Krave Sifter to ensure grind testing consistency. Together, we performed blind taste testing to determine that the Bodum - Bistro Grinder is the best coffee grinder for home use. The Bodum grinder has user-friendly features, a minimal ...
