1) A company that manufactures furniture increasingly finds that their workforce speaks Spanish fluently but not English. Management does not know Spanish and this creates communication problems. Should management learn Spanish? Should English classes be offered to the workers? Are there other solutions? The company is struggling to contain costs so any solution should be...

Teaching Tolerance provides free resources to educators—teachers, administrators, counselors and other practitioners—who work with children from kindergarten through high school. Educators use our materials to supplement the curriculum, to inform their practices, and to create civil and inclusive school communities where children are respected, valued and welcome participants.
