

Wolf Hunt Jeff Strand

Jeff Strand's Wolf Hunt was a fine bit of breezy, gory horror. I like humor mixed with my horror, and Mr. Strand is quickly becoming a go-to guy for me when I'm in the mood for something smart, snappy, and soaked with blood.

Wolf Hunt by Jeff Strand - Audio Book Reviewer

Once again, Scott Thomas delivers another wonderful narration of Jeff Strand's book, "Wolf Hunt 2." The voices are consistent, and although one part of the book was sad, the rest was very entertaining and this listener was not left bored. The comedy strewn here and there is priceless. This was another great production. Bravo, Scott Thomas!

I imagine Jeff Strand's elevator pitch for Wolf Hunt being along the lines of 'The Sopranos Meet The Wolfman.' If this intrigues you, then it's really about all that needs to be said of Strand's funny, bloody werewolf romp. Frankly, it's all I would have needed to be hooked straightaway. If this does not intrigue you, then I'm afraid I can't ...
